Learning News

As well as all of the exciting extra activities happening in our school throughout the term, each class is also hard at work in the classroom.

This term, each of our classes is reading narrative texts. Wattle and Waratah are looking at story books written by **Alison Lester**.

In Bottlebrush, students are reading picture books to learn about how authors like **Shaun Tan and Jeanie Baker** use pictures to tell visual narratives.

Having taken so much enjoyment from reading their previous two novels 'Wonder' and 'The Thief Lord', Banksia are wrapping up their term with a non-fiction novel '**Boy**'. Year 5 and 6 are also taking this last term to practice their reading skills and strategies to make the most of any text they read.

Keep an eye out for examples of our reading on SeeSaw and the new and improved school website throughout the term!

Book club due back 30th October.

Welcome back to
Mr and Mrs Ribbons

from their holiday
this week!

WEEK 1, TERM 4, 2018

CANTEEN CLOSED FOR TERM 4. Due to lack of volunteers, a decision was made by the P&C and the Canteen Committee to close the Canteen for term 4. This decision was not made lightly as it is a service offered to all our children and alternately they are the ones whom miss out. We would like to thank those parents who have willingly given their time through the year to help with canteen duties and we hope to see you again in the canteen next year. We also hope to see some new faces offering to help as well.!!!

P & C MEETING to be held in the school Library on Wednesday 24th October, 2018 starting at 7pm, please come along and have your say..... We hope to see you there.

FYI - After today, there is only 9 more Fridays until Christmas.

Good for Kids good for life

CHOOSE WATER as a drink

Water is the best drink as it does not have any added sugar. Fruit flavoured drinks and soft drinks can contain a lot of sugar. If your child has a cold or flu, water is the best choice. In most areas, tap water contains fluoride, which helps children to develop strong teeth.

HOW MUCH SUGAR IS IN THAT DRINK?

HOW MUCH WATER SHOULD KIDS DRINK EACH DAY?

TIPS TO HELP YOUR KID DRINK MORE WATER

- Show children that you enjoy drinking water.
- Drink water with every meal.
- Take a refreshing water break when you do sports.
- Pick water with your child's lunch.
- Encourage your child to drink water when they play sports.
- Limit buying sugar-sweetened drinks.
