TERM 1 WEEK 3

FRIDAY 15TH FEBRUARY 2019

## Principal's Report

*Next week we have our parent information talk on Tuesday afternoon 19th February. Everyone is welcome to come and learn about your child's life at school. Please read the note that was sent home on Wednesday to remind you of the times.*

*If for some reason you did not get the note please just contact the school for the information.*

*Attendance*

At the beginning of the year it is important to be reminded about making

sure your child attends school regularly. I will be attaching hints and tips from the department about attendance over the coming weeks. In the educational interests of your child it would be beneficial not to be late to school and to not have to leave early at the end of the day. Thank you for your support in this matter.

Have a wonderful weekend,  
Carolyn and Staff.

On Friday 8th February Stroud Public School had their swimming carnival against Booral and Stroud Road. Everyone swam fantastically and at the end Stroud won the shield for the champion school. In the middle of the day there was a storm and all the competitors had to get out of the pool. All of us would like to thank the parents who ran the canteen and did the timekeeping. We would also like to thank Carolyn Russell for her adjudication. Great win, Stroud!!!

## School Events

*Swimming Carnival*

What a great day we had at the swimming carnival last week. EVERYONE swam their heart out and we won the shield. An enormous thank you to the teachers, the parents who timed and the dads who brought the shelters down to the pool, erected them and then returned them to school. Thank

you to all the parents who helped in the canteen. Without your support the carnival would not run so well!

Remember our 4 bees:

Be caring,

Be respectful,

Be responsible and Be

Fair

Remember  
to wear  
your hat!

## Positive behavior for learning

This week we have presented merit awards to the children for being a caring friend and/or looking after the new kinders. We have beautiful caring students. Thank you to Cain, Melia, Emily, Maya, Charlie, Alicia, Jesse and Lexi.

## School sport activities

Our Athletics program will start next week so the children can wear their sports uniform on Tuesday and Thursday and they can wear their joggers on the other days.

Congratulations to our age champions at the swimming carnival. Maddox was the boys 12 year champion, Joseph was the boys 11 year champion, Connor was the boys 9 year champion and Taj was the boy 8 year champion. They swam amazingly!

### Term 1 Week 4

Tuesday	Athletics program
Wednesday	Circuit/Dance
Thursday	K-6 Class sport
Friday	Distance Run

## School Information and Reminders

### Textbooks

The textbook note is attached to the newsletter this week. The school does not ask for a voluntary contribution so we would greatly appreciate it if you could send in the money as soon as you can. If you are having financial difficulties and would like some support to pay for the textbooks then please contact the school. A payment plan will be negotiated with you.

### Online Payments

Just a reminder about how you can pay your payments online. You can access the make a payment tab on the school's website : [www.stroud-p.school.nsw.edu.au](http://www.stroud-p.school.nsw.edu.au) Visa or Mastercards only are accepted. You enter payment details, your credit card details and can receive an online receipt. When entering payment details for excursions please put the receipt number on the permission note which will still need to be sent to school.

Please remember to send  
fruit or vegetables to school  
for our fruit break every day

## Learning News

### Quality Teaching Rounds

Last year our collegial network of small schools embarked on a journey to refine our classroom practices in order to improve student outcomes in literacy and numeracy. In the last two terms of 2018 Quality Teaching Rounds were implemented into our schools. Quality Teaching Rounds (QTR) is a researched-based form of professional development for teachers that focuses on what happens in the classroom. Through classroom observation, coding, discussion, diagnosis and analysis teachers are able to collaboratively share knowledge and improve classroom practice.

In our first meeting of this year we have reflected and revised on our progress so far and have made further adjustments to improve the process. QTR will take place across our small schools again in 2019 with a focus on student success criteria, feedback and learning goals.

We will continue to share our progress throughout the year as we collaborate with staff from other small schools in order to develop expertise and embed good practice within our schools.

## Textbooks

Dear Parents,

Each year at Stroud Public School students will need textbooks to work on in the classroom. Our school does not ask for voluntary contributions and would appreciate your payment for the books as soon as possible. In previous years we have subsidised parents who have to pay for more than one child but unfortunately again this year our budget constraints mean that we will not be able to offer this discount. We hope that you are understanding in this as we need to prioritise our money across the school programs we are implementing to improve learning at our school.

Below are the books the class will be using and the cost:

Kindergarten	Spelling Workbook	\$12.50
Years 1/2	Maths and Handwriting	\$30.00
Years 3/4	Maths and the school magazine	\$30.00
Years 5/6	Maths and the school magazine	\$30.00

You can make a payment for this on the school website or send the money back to school in an envelope marked with your child's name and class. Payment will need to be made by Friday 15<sup>th</sup> March.

Thanking you for your continued support of our wonderful school,

Carolyn Bowman

INFORMATION GUIDE  
Issued 11 February 2019

## MODERATE RESTRICTIONS NOW IN FORCE

### Residential

Handheld hoses can be used for up to one hour every second day\* between the hours of 4pm and 9am. Garden irrigation systems can be used for 15 minutes as part of the one hour allocation.

Examples of outdoor use include:

- Car or boat washing by bucket with trigger hose rinse only.
- Boat motor flushing on a lawn area if possible.
- Topping up of pools.
- Cleaning driveways, paved areas, windows, walls and roofs: buckets only.

How every second day works: If your house is an even number then you can water on the even days of the month (the 2nd, 4th, 6th etc). If your house is an odd number, then you can water on the odd days of the month (the 1st, 3rd, 5th etc). There is no residential outside water use on the 31st of the month.

### Public Areas

Parks, gardens and non-active playing surfaces:

A 30% reduction on regular use is required, with users to develop a water management plan to achieve this target.

Active playing areas: A 30% reduction on regular use is required, with users to develop a water management plan to achieve this target.

Bowling greens and golf courses: Irrigation systems and hand held hoses for one hour per day on greens only (MidCoast Council will work with operators to develop management plans for use).

Garden ponds: Topping up by hand held hoses only.

Fountains: Total ban.

### Commercial and Industrial

Nurseries and market gardens: Sprinklers and fixed hoses can be used before 9am and after 4pm. Hand held hoses can be used at any time.

Motor dealer vehicle washing: The use of machine washers with recirculation is allowed as is hand washing with a bucket and trigger hose rinse.

Mobile water tankers: Only to be used for firefighting, construction, inside residential, or public health purposes.

Construction industry: Hoses used must be fitted with a hand-held trigger to shut off flow when released.

There are no restrictions on water required for commercial/industrial production, however outdoor use is restricted as per the residential guidelines.
