TERM 2 WEEK 2

THURSDAY 9 MAY 2019

Principal's Report

The newsletter is going home today because of the athletics carnival tomorrow. Today is my last day at school until 23rd May so have a lovely week next week. Thank you once again to Mrs Steele who looks after the school while I am away.

Next week will be a busy week with NAPLAN online

The assessments for years three and five will take place next week on 14th, 15th, 16th and the following week on the 20th May. This is just a snapshot at this point in time for the children. Teachers take into account the work that the students do across time to make judgements on student achievement. **Please make sure that your child is on time for school next week so that our tests can be finished in the time allocated.** Mrs Brewer will be administering the tests.

Maya came second in her race, Ruben and Grace came fifth and Connor is a reserve for his age group. They will be looking forward to regional cross country on 31st May. We didn't do too badly for a small school as 5 out of 21 representatives made it to regional.

Learning News

In health lessons this term we will be looking at healthy eating. Last week I asked if you could send in any food packaging so that we can look at the ingredients of the food. It would be appreciated if you could send these into the office. Thank you in advance!

Library has started again with many children borrowing but last week there were still quite a few students who had left their books at home. Could you please encourage your child to borrow and bring their library books back on their borrowing day. Kinder, year one and year two borrow on Monday, year three and four borrow on Tuesday and Year five and six borrow on Wednesday.

Keep up the great reading for the Premier's Reading Challenge!

Seesaw

We are continuing with Seesaw again this year. Seesaw gives your child a place to document their learning, be creative and learn how to use technology. Each child gets their own journal and the teachers will periodically add entries to it. **ALL STUDENT CONTENT IS SAFE AND SECURE.** Journals are only accessible by your child, their teachers and yourself. Journals are not public on the web and information is never shared with third parties. Banksia and Wattle will send home their code sheet today. Bottlebrush has already sent their sheet home. If you have not already downloaded the Seesaw app you will need to download it. To sign up follow the directions on your child's code sheet. You can help your child's learning by making specific comments on your child's work. Please keep your child's code secure.

Together we can celebrate your child's classroom success.

Wattle Whispers

This week we have been talking about the sound 'b'. We have also started spelling, learning our 'an' and 'og' families.

In number, we have been looking at the teens and writing our numbers up to 30. We have also been talking about the 4 shapes— circles, squares, triangles and rectangles. Lots of work this week!
