TERM 2 WEEK 6

FRIDAY 7 JUNE 2019

Principal's Report

The rain was welcome this week but not the cold weather! I hope that you are looking forward to the long weekend.

We have had Luke Vella here for work experience this week and thank him for the great job he did.

Year 3/4 Camp

The note for the camp went home this week. The camp is at Milsons Island Sport and Recreation Centre on Thursday 15th and Friday 16th August 2019. Booral Stroud and Stroud Road will be going together. A \$50 non-refundable deposit is due now and the final payment is due three weeks before the excursion. An online medical consent form will need to be filled out as well. The information on this is on the note.

You can pay off the excursion by sending in an amount each week until the excursion, if this would help. Please contact the school if you would like to do this.

Enjoy your long weekend, Carolyn and Staff

School Events

OZHARVEST

OzHarvest is a food rescue charity that stops good food from going to waste and makes sure it gets to people in need. They are coming to our school on Tuesday 18th June to talk about reducing food waste at home.

Premier's Reading Challenge

We have awarded our first students who have completed the challenge with a certificate this week.

Congratulations to these wonderful readers. Keep up the great reading everyone else!

Remember our 4 bees:

Be caring,

Be respectful,

Be responsible and Be

Fair

Remember
to wear
your hat!

Positive Behaviour for Learning

This week the teachers have been focussing on learning in the classrooms. Thank you to these students for your wonderful efforts this week. Jacob (enthusiastic participation in activities), Maddox (always being helpful and organised), Delilah (excellent artwork), Makayla (showing growing independence), Thomas (an excellent information report). Bohdi (excellence in Fast Maths), Jesse (becoming confident in fast maths) and Riley (wonderful focus on work).

School Sport Activities

Our boys PSSA soccer team played their game against Pacific Palms on Wednesday. They were beaten by a better team but their sportsmanship and effort were commendable.

Thank you to Miss Hughes for organizing and taking the team and thank you to the parents who went. The girls soccer team is still waiting for their game to be played.

School Information and Reminders

Book Club

Book Club is attached to the newsletter. Your order will need to be back at school by Monday 17th June.

Attendance

Please remember to explain your child's absence within 7 days by either phone, note, email or the skoolbag app. Your child will need a doctor's certificate if he/she is sick for three or more days.

Learning News

I have been looking through the government website on eSafety (esafety.gov.au) and would recommend it to all parents who have children who are online. It has resources and information for you to use in keeping your child safe online. Three key strategies are identified: 1. Be engaged, open and supportive. Get involved. Share online time with your children as part of family life. Play games together. Talk about favourite apps, games or websites. 2. Set some age appropriate rules for devices and online access with consequences for breaking them and 3. Use the available technology Get to know the devices you and your children use and set them up for privacy and online safety. There are many tips like these on the website so I would encourage you to go and have a look.

Good for Kids good for life CREATING OPPORTUNITIES FOR INCREASING PHYSICAL ACTIVITY

Children should be getting at least **60 minutes** of moderate to vigorous activity (that makes them 'huff and puff') across the day.

Limiting the use of small screen recreation to **less than 2 hours per day** can increase the time for children to be physically active. Small screen recreation includes using the computer, small screen games or watching TV.

Some tips to decrease the amount of small screen recreation use include:

- Work out a TV viewing schedule with your child.
- Limit the use of computers during the day time, where your child could be having fun playing outside.
- Lead by example and reduce your own screen time.
- Break up long periods of small screen use as often as possible.

Wattle Whispers

We are nearly at the end of the alphabet! This week we looked at 'x' and 'y'. In maths we have been making equal groups as a precursor to multiplication.

In science we have been looking at objects that are water proof.

All the children have been enjoying basketball.

Birthdays

Happy Birthday to Riley C on 3/6. We hope you had a great day!
