## Principal's Report

*The term has started very well. The roofing contractors have tried to work around the needs of the children and the rain! There are still some works to finish on the COLA.*

*Education Week/ NAIDOC Day Celebration*

Our celebration for Education Week and NAIDOC Day will be on Wednesday 14th August and will start with a performance from the Dungog Public School aboriginal dance group at 11.30am under the COLA. After that performance the students will rotate through four activities dance, weaving, art and games. These activities will be led by year five and six. We will then be sharing lunch together at 1pm. We would love to have as many parents and friends join us as possible. So far we have not had many responses to share lunch. The note has been attached again to the newsletter so could you please get it back to school on Monday so we can order our food.

Looking forward to sharing the day with you.

## School Events

Gymnastics started last Monday and was enjoyed by all.

### Book Week

For our Book Week celebrations we will be having a Book Fair and a readathon. The readathon will be on Thursday 22 August. We will start at 9.05am where we will all meet under the COLA. The students will be divided into groups and the groups will rotate around and listen to the short listed picture books being read to them by year 5 and 6 students. You are invited to hear these readings. After the readings the children will vote for their favourite books. Students can wear a costume representing their favourite book or favourite book character on this day.

The library will be open on the days below for you to come and purchase books:

**Tuesday 20th August:** 8.30-9.30am, 2.30-3.15pm

**Wednesday 21st August:** 8.30-9.30am, 2.30-3.15pm

**Thursday 22nd August:** 8.30-9.30am, 2.30-3.15pm

Have a great weekend and I hope you are not too cold!

## Positive Behaviour for Learning

Our merit awards this week have focussed on being responsible. The ministers decided that this would be a good focus because of the work going on around the school. Lily and Lucy always use their common sense when keeping themselves and others safe, Cain and Felicity are always aware of the situations around themselves and Lexi and Hunter are also aware of danger and watch out for others. Thomas and Ryan showed responsibility in the classroom. Well done everyone!

## School Sport Activities

Last Friday Maddox ran at the track events and was successful in qualifying for the regional carnival in the 200m. Congratulations to Maddox, Maya and Ruben who will be competing at the regional carnival on 30th August.

Our small schools soccer team will be playing Newling at home on a date to be decided. They are practising hard. Thank you Ms Hughes and Mr Reyes for coaching the team.

# School Information and Reminders

## Year 3/4 Camp

Thank you everyone for finalising your payment and medical form for the camp. The children are getting really excited! I was talking to some of them on lunch duty and it was wonderful to see their enthusiasm. A note outlining what the children need to bring went home last Wednesday. The children **NEED** to be at school by 7.20am for a 7.30am departure. Ms Hughes will send out a Skoolbag notification on the way home to let you know the expected time of arrival back at school.

Please remember to  
send fruit or vegetables  
to school for our fruit

## Year 5 and 6 Canberra Excursion

Just a reminder that your \$75 deposit is now due along with the medical form. Thank you to all the parents who have paid already. A note will go home next week to remind you if you have not paid the deposit.

## Changes to School Uniform Payments

Please remember that **payment for uniforms will have to be made by cash or a direct deposit into the P&C bank account.** The account details for the P&C will be on the bottom of the order form and all monies will need to be paid into this account. Cash payments will need to be in an envelope with the order form and can still be handed into the office. Mrs Ribbons will still be able to sell floor stock but will only be able to accept cash for these purchases.

# Learning News

This term the school is part of a stemshare program with the department and we have taken delivery of a 3D printer to use for term 3. Next week a student from Stratford Public School will be coming to share his expertise with the students in stage 3. The students will access a program and design their 3D object and then print it on the printer. If there is time we will introduce this stage 2 as well.

## Wattle Whispers

Kindergarten are getting all grown up! They have started their weekly spelling test with cvc words. Well done everyone! They have also been learning the 'oa' sound as in goat.

In maths they are focussing their combinations to 10 and in science they are looking at 'Changes' in the world around them by looking up, down and all around.

The contractors who are working at our school have asked if there are any painters or brush hands in the local area who would like to work at the school on the building works. It would be for a September start. If you are interested you can ring Jason Joughin on 0478684631.
