## Principal's Report

*The weather is starting to feel like summer is upon us. The teachers have been planning little surprises for years five and six over the last weeks because this year has been quite difficult for them. They had surprise popcorn last week and this week they went up to the top school to play croquet and bocce. In the coming weeks we have some more little surprises waiting for them!*

The annual general meeting for the P&C is on this coming Wednesday 25th November at 7pm in the school library. It is the first meeting that we have been able to meet together since COVID began so we are looking forward to it. Please come along and meet a wonderful group of parents!

Next week the students who have been nominated for our school leaders will participate in a leadership session to talk about the qualities that make a good leader. In week 8 they will be giving their speeches to the school and the following day the school will vote. The successful candidates will be announced at our 3-6

## School News

Last Monday years five and six participated in the DigiEd workshop. Stroud Road joined in with us for the day. Each group made an animated film based on a story that they made up. You can watch their movies on [digied.com.au](http://digied.com.au) and scroll down to download movies and then you will find Stroud 2020.

Happy Watching!

presentation day on the 8th December.

We now have a defibrillator at school on the wall in the first aid room. A big thank you to the P&C who applied for the grant to be able to purchase it. All teachers have been trained through their CPR course on how to use it.

Enjoy your weekend. Take care in the sun.

Carolyn and Staff.

Remember our 4 bees:

Be caring,

Be respectful,

Be responsible and Be

Fair

Please remember to send fruit or vegetables to school for our fruit break every day.

## Positive behaviour for learning

A great big thank you to our award winners for being responsible with their own learning and asking for help. Congratulations to Sienna (always asking for help and clarification when needed), Noah (always asking questions and seeking assistance), Charlotte (being a responsible class member), Finley (asking for help in the classroom) and Makayla (being a responsible class member). Alicia, Evie and Lacie also received awards but were absent for the photo.

Canteen for this coming week is still requiring a helper to assist Helen and Bianca. Please let Helen or myself know if you find yourself available to help out this coming Monday 23<sup>rd</sup> Nov. Thank you. The kids are loving Canteen being available again and the Ice blocks are as popular as ever.

Please let me know ASAP if you are wanting to join us for the P&C's Annual Christmas Dinner. I need to have final numbers by the end of today (Friday 20<sup>th</sup> Nov) to confirm a table. Partners and spouses most welcome to attend.

Our Christmas Raffle is on again this year. Raffle tickets will be going out with students next week. Please complete and send back into the Office by Friday 4<sup>th</sup> December. Donations of Christmas themed packaged items would be greatly appreciated to add to hampers we can raffle off in our final week of School.

Our final meeting for the year will be held on Wednesday 25<sup>th</sup> November. We will also be holding our AGM prior to the monthly meeting. If you would love to be a part of the P&C Committee for 2021 come along and see how you can get involved. We will be needing people to fill Committee positions but are especially looking for people interested in taking on the roles of Uniform Co-Ordinator and Canteen Supervisor. Please turn up on the night and see how you can get involved and have a say in how our School functions and provides for students. We will be holding this meeting in the Library Room at school from 7pm. Everyone is welcome.

Please contact me if you have any questions or queries.

Thank you, Kate 0408534139
