Principal's Report

Stroud Public School students and staff have returned to school with enthusiasm, determination and purpose! It's been a busy start for everyone and we're not slowing down!

Week 3 is Education Week for all NSW schools. The theme is 'Creating Futures'. That just happens to be what we are working on every day of the year! Next Tuesday 2 August, we invite you to come into school and see how Stroud students are growing into responsible, creative and thoughtful citizens of our community.

At 9:00am Stage 3 will hold their Premier's Spelling Bee.

At 10:00am Stage 2 will hold their Premier's Spelling Bee.

11:00 is recess and we would love for you to share this time with us.

At 11:30 we will hold an Education

Happy birthday!

Week Assembly and Wattle will present 'The Gruffalo's Child'. You won't want to miss this very sweet performance.

After the performance and assembly, we will have open classroom time where children can proudly show you their work and achievements.

We hope to see lots of faces here on Tuesday.

If you know any past students of Stroud who would like to share what future they have created for themselves, I would love to hear from them so I can share their story at Education Week.

Next week we are also going to be engaging in meaningful conversations with parents during our parent teacher interviews. Thank you to all those parents who have committed to a time to talk with your child's teacher. There are lots of appointments still available. Please log on to <https://www.schoolinterviews.com.au/> and enter Event Code **8v3bh**.

Have a wonderful weekend!

Erin and staff

PS: I just want to apologise for all the grubby knees and muddy clothes that have been coming home lately. The sun has been glorious and the children have just been relishing the opportunity to play some outside games which is wonderful. I am conscious however, of how hard your washing machines are working!

Merit Awards - Week 1 and 2

Remember our 4 bees:

- Be caring,
- Be respectful,
- Be responsible and
- Be Fair

The YoHo Diablo has been making a comeback at Stroud this week thanks to Mrs Murray. Children have been enjoying having a turn of this toy during recess and lunch. The last time I saw one was in the 90's!

Wattle	Ally	Piper	Phoenix	Cleo
Bottlebrush	Xavier	Jessika	Arleyah	William G
Banksia	Evie	Sienna	Zane	Violet H
Mrs Wilson	Bohdi, Tristian	Ally	Connor. Chelsea	Ethan

Zone Athletics

What a fantastic team of representatives we sent to the Zone Athletics Carnival at Tomaree this year. It was very exciting hearing the news that Taj, Grace and Sarah received a place for their events on Wednesday and Charlotte received a place ribbon on Thursday. Terrific results! Of course, we are exceptionally proud of all our representatives who were up against some tough competition in our Port Stephens Zone. Thanks Miss Hughes for coordinating and cheering our students on.

In the classrooms

Mrs Hattam and Banksia are studying chemical sciences. They investigated what happened when a Mentos is dropped into Coca-Cola. I hate to think what that looks like inside our stomachs!

Here is Thomas with a box ready for the courier! Yesterday Thomas completed the Opportunity Class Test and worked on some very challenging questions. Well done Thomas!

Wattle love browsing the fabulous book collection we have in the library. Don't forget to bring your library bags each week on your library day. Reading before bed is the best way to end a day!

P & C News

It was great to see some friendly faces at our P & C meeting on Wednesday night. Please consider volunteering at the canteen on Fridays. See President Kate's report which is attached to this newsletter for more information regarding our major fundraiser.

CREATE & CONNECT CAMP

SCRIPTURE UNION NSW FORSTER & THE MANNING

COVID SAFE

Create and Connect is an art and craft camp that gives girls an opportunity to create awesome art and craft and connect with God and others. This year we will be doing a range of fun art and craft activities, beach walks, games and more. The accommodation is right near the beach where girls will stay in dormitories and eat plenty of delicious food!

Dear parents, guardians and carers,

Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the *Disability Standards for Education 2005*, in line with the *NCCD guidelines (2019)*.

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy \(https://www.dese.gov.au/about-us/resources/department-education-skills-and-employment-complete-privacy-policy-0\)](https://www.dese.gov.au/about-us/resources/department-education-skills-and-employment-complete-privacy-policy-0).

Further information about the NCCD can be found on the [NCCD Portal \(https://www.ncod.edu.au\)](https://www.ncod.edu.au).

If you have any questions about the NCCD, please contact the school on 49945255.

Kind regards,

Erin Wilson

Relieving Principal
