TERM 3 WEEK 6

FRIDAY 26 AUGUST 2022

## Principal's Report

Stroud Rugby League Football Club presented our school P & C with an astonishing amount of money as a result of their fundraiser event in June. What a sensational community effort! Our students are already enjoying the benefit of this wonderful injection of funds with these bright picnic tables and the purchase of games and activities for our Safe and Sensible Area. Thank you P & C and thank you Stroud Rugby League Football Club!

As this goes to print, I want to wish our three Regional Athletics Carnival representatives well in their events today. Good luck Sarah in the discus, Taj in the high jump and Charlotte in your 100m sprint. We are very proud of you!

Good luck also to Chelsea and Thomas who will represent our school in

the Regional Spelling Bee next Thursday!

I am currently investigating the option of having a Before and After School Care and / or a Vacation Care service on site at our school. Part of the process is a community viability survey. If this is a service you think would be useful for our wider school community, I urge you to fill this survey out. I will put the link on Skoolbag and Facebook also.

Student places at the Milson Island camp for Stage 2 and Bathurst camp for Stage 3 are locked in. Please ensure you have paid for these exciting events.

Attendance matters. Schools are being encouraged to implement initiatives to boost and support attendance of healthy children. Every four weeks we will draw a name out of a barrel and they can have a lunch order on us! The more days you are at school, the more times your name will be included. 2 days explained absences in 4 weeks = 3 tickets in the barrel, 3-4 absences = 2 tickets in the barrel and 5 or more days absent = 1 ticket in the barrel. We shall trial this for the remainder of this term and in Term 4.

Have a lovely weekend!

## Dungog High School Transition Roadshow

On Wednesday, some Dungog High School staff and students visited our school to give a taster to our Year 6 students on what to look forward to when they start there in 2023. Students were treated to some music, science demonstrations and art. They were able to meet their Year Adviser also, Mrs Van De Scheur.

## European Handball

PAGE 3

Mr Raymond Howitt came last Friday to share with Banksia what a fantastic game European Handball is. He donated a European handball kit to our school and was so passionate about the game. Thanks Miss Hughes for organising this - the students had a great time!

## Preschool visit

A successful transition from preschool to school improves a child's educational and social outcomes. Removing the worry around starting 'big school' and familiarising young children with the school environment ensures children are Kindergarten-ready in the New Year. Preschool Director Sam and her terrific team visited our school yesterday, spending time walking around the school and doing some

activities in Wattle. We can't wait to have our littlest community learners visiting again soon!
