Week 4	Helen

Principal's Report

Welcome back everyone! There is a hum of happy activity throughout our school as we face one of our busiest terms of the year.

There is lots happening this term so please take the time to have a look at the Term 4 calendar included with this newsletter. More detailed information about upcoming events will come out as the event approaches.

We have some new enrolments and I would like to welcome Zazen, Finney, Blaze, Glacier and their families to our lovely school.

Some of our students also became big sisters and brothers in the last couple of weeks. Congratulations to Charlie and Mia and your families. We can't wait to hear of more baby news over the next few days and weeks. Hint Hint baby Osborne!

This week we met our Kindy enrolments for their first of four transition sessions. If you know of any Kindy 2023 students that missed

the first session, please encourage their families to reach out and make contact. It's that time of year where we make plans for our classes for 2023 and it is very important that we have a firm understanding of expected student numbers.

Don't forget that we are celebrating the attendance of healthy students this term. Every day you are at school (when you are fit and well of course) gives you a greater chance of winning a prize.

It has been lovely to have Mr Monaghan back at school this Term. Wattle and Bottlebrush are enjoying learning about animals ahead of their excursion on Monday. Here are some students with my lizard Stormy.

Have a wonderful weekend!

Erin and staff.

Happy birthday!

Happy birthday to Finley, Olivia, George and Mrs Munn!

Remember our 4 bees:

Be caring,

Be respectful,

Be responsible and

Be Fair

MENTALHEALTHMONTH.ORG.AU

Try some of these suggestions for promoting and encouraging positive mental health and wellbeing.

- During dinner, talk about the best thing that happened today.
- Create a 'feel good' playlist to play on car trips
- Create an obstacle course with household items
- Do a 'just dance' challenge with your family
- Phone a friend and have a chat
- Give origami a try!
- Have a tech free day
- Do something kind for yourself

For more ideas visit <https://education.nsw.gov.au/student-wellbeing/mental-health-month/explore>

P & C News from President Kate Temple-Smith

Hi everyone,

I just want to say a big THANK YOU to everyone that assisted with our catering for the Alderley Creek Camp in the first week of the school holidays. A big ask during your holiday time so thank you. It would not have been possible without the wonderful cooks and the mums and dads who served and prepared food each evening.

Thank you to Helen Pundi who was working hard each day and serving each evening, my prep queen throughout. Thank you also to Karla Hattam for her generous donation of all the eggs for the week. Hopefully all our hard work will create funds to be spent on school support materials. We will let you know exactly what this fundraiser will be able to provide for our kids at a later date.

Our next P & C meeting will be held on Wednesday 26th October at 6:30pm in the school library. Please come along and have your say on how we support and fund the school and provide for students. It is your chance to have your say and put ideas forward.

Please feel free to message me with any questions or ideas for fundraising.

Thanks, Kate T-S 0408534139

The missing mummy in Wattle

Wattle students have been practising using descriptive language as they write about the location of their 'hidden mummy'.

Gymnastics

We were successful in securing a Sporting Schools Grant to fund 4 sessions of gymnastics this term. Last Friday was our first session and students explored a variety of skills including balancing, rolling and jumping. We are grateful to have the expertise of Jen Kendall delivering the sessions.

Year 6 Lolly fundraiser

Year 6 students are running a lolly guessing competition. 50c a guess and you have until 31st October to have a guess!

Term 3 rewards day - wheels!

Students had fun scooting and riding around the school on the last day of Term 3. Thanks parents for helping get the bikes and scooters to school.

Is your business looking for a pool of prospective employees? Would you like to promote your organisation to job seekers or school students?

▶ Thursday,
10 November 2022

▶ 5.30pm - 8pm

▶ Gloucester Showground,
Cattle Pavilion

▶ Registrations for business
close 1 November

Gloucester Business Chamber & Regional Industry Education Partnerships would like to join forces with local businesses to present job and career opportunities to people within our region.

The goal is to keep talent and to attract talent to our local government area by proffering mentorships, apprenticeships and job opportunities to genuine job seekers.

The expo is open to school students and the general public.

For more information on the expo, and discuss presentation ideas, please contact

Erin Lute 0457 096 553

WALKING FOOTBALL

Walking Football is a small-sided, low-impact, modified version of the game, suitable for all levels of ability and fitness, from people who are returning to the sport after a break or those who've never played before. Walking Football aims to provide participants physical and mental health benefits, social connectedness and promotes the benefits of ongoing physical activity.
